Frank J. Bocash Hurt in Slide at the Gravel Pit.

Frank J. Bocash, a man about 70 years of age, was quite badly hurt while working for C. A. Stanford in the village gravel pit near Granite Junction Monday morning. Mr. Bocash is quite active for a man of his years and though warned not to attempt any work that a younger man should do, he climbed to the top of the pit and was working there when the bank gave way, or a portion of it, and he was thrown down into the pit into some gravel and then went end over end further down, striking his head on some large rocks. Several gashes were cut in his head and he was hurried home in an auto and Dr. Ferris called to dress the wounds and make him comfortable. It was very fortunate that he struck on some loose gravel first or the results would have been

INDIGESTION!

Dr. Caldwell's Syrup Pepsin is a com-bination of simple laxative herbs with pepsin. The pepsin, the most effective of all the digestants, helps to digest the food and the laxative properties act on the bowels. It aids the digestive organs to work naturally so that in time fledicines

of all kinds can be dispensed with.
You can buy a bottle of Dr. Caldwell's Syrup Pepsin at any drug store for 50c and \$1, the latter sufficient to enable an entire family to enjoy food for months.

In spite of the fact that Dr. Caldwell'a Syrne Pepsin is the largest selling liquid lasative in the world, there being over o million bottles sold each year, many who need in henefits have not yet used it.
